LEGISLATIVE ASSEMBLY, 1999

HOUSE COMMERCE COMMITTEE ENGROSSED NO. **HB1056** - 2/3/99

Introduced by: The Committee on Commerce at the request of the Department of Commerce
and Regulation

1 FOR AN ACT ENTITLED, An Act to revise certain requirements for coordination of benefits
2 of group health plans.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
5 as follows:

6 For the purposes of this chapter, the term, allowable expense, means a health care service or
7 expense including deductibles, coinsurance, or copayments, that is covered in full or in part by
8 any of the plans covering the person, except as provided in this section. If a plan provides
9 benefits in the form of services, the reasonable cash value of each service is considered an
10 allowable expense and a benefit paid. An expense or service or a portion of an expense or service
11 that is not covered by any of the plans is not an allowable expense. Expenses that are not
12 allowable include the following:

13 (1) If a covered person is confined in a private hospital room, the difference between the
14 cost of a semi-private room in the hospital and the private room, (unless the patient's
15 stay in the private hospital room is medically necessary in terms of generally accepted
16 medical practice, or one of the plans routinely provides coverage for private hospital

1 rooms) is not an allowable expense;

2 (2) If a person is covered by two or more plans that compute the benefit payments on the
3 basis of usual and customary fees, any amount in excess of the highest of the usual
4 and customary fee for a specified benefit is not an allowable expense;

5 (3) If a person is covered by two or more plans that provide benefits or services on the
6 basis of negotiated fees, any amount in excess of the highest of the negotiated fees is
7 not an allowable expense; or

8 (4) If a person is covered by one plan that calculates its benefits or services on the basis
9 of usual and customary fees and another plan that provides its benefits or services on
10 the basis of negotiated fees, the primary plan's payment arrangement shall be the
11 allowable expense for all plans.

12 Section 2. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
13 as follows:

14 For the purposes of this chapter, the term, claim, means a request that benefits of a plan be
15 provided or paid. The benefits claimed may be in the form of:

- 16 (1) Services (including supplies);
17 (2) Payment for all or a portion of the expenses incurred;
18 (3) A combination of subdivisions (1) and (2) of this section; or
19 (4) An indemnification.

20 Section 3. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
21 as follows:

22 For the purposes of this chapter, the term, closed panel plan, means a health maintenance
23 organization (HMO), preferred provider organization (PPO), exclusive provider organization
24 (EPO), or other plan that provides health benefits to covered persons primarily in the form of
25 services through a panel of providers that have contracted with or are employed by the plan, and

1 that excludes benefits for services provided by other providers, except in cases of emergency or
2 referral by a panel provider.

3 Section 4. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
4 as follows:

5 For the purposes of this chapter, the term, coordination of benefits or COB, means a
6 provision establishing an order in which plans pay their claims, and permitting secondary plans
7 to reduce their benefits so that the combined benefits of all plans do not exceed total allowable
8 expenses.

9 Section 5. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
10 as follows:

11 For the purposes of this chapter, the term, custodial parent, means the parent awarded
12 custody of a child by a court decree. In the absence of a court decree, the parent with whom the
13 child resides more than one-half of the calendar year without regard to any temporary visitation
14 is the custodial parent.

15 Section 6. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
16 as follows:

17 For the purposes of this chapter, the term, hospital indemnity benefits, means benefits not
18 related to expenses incurred. The term does not include reimbursement-type benefits even if
19 designed or administered to give the insured the right to elect indemnity-type benefits at the time
20 of claim.

21 Section 7. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
22 as follows:

23 For the purposes of this chapter, the term, plan, means a form of coverage with which
24 coordination is allowed. The definition of plan in the group contract shall state the types of
25 coverage that will be considered in applying the COB provision of that contract. The right to

1 include a type of coverage is limited by the rest of this definition. Separate parts of a plan for
2 members of a group that are provided through alternative contracts that are intended to be part
3 of a coordinated package of benefits are considered one plan and there is no COB among the
4 separate parts of the plan.

5 Section 8. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
6 as follows:

7 A plan may include:

- 8 (1) Group insurance contracts and group subscriber contracts;
- 9 (2) Uninsured arrangements of group or group-type coverage;
- 10 (3) Group or group-type coverage through closed panel plans;
- 11 (4) Group-type contracts. Group-type contracts are contracts which are not available to
12 the general public and can be obtained and maintained only because of membership
13 in or connection with a particular organization or group, including franchise or
14 blanket coverage. Individually underwritten and issued guaranteed renewable policies
15 are not group-type even if purchased through payroll deduction at a premium savings
16 to the insured since the insured would have the right to maintain or renew the policy
17 independently of continued employment with the employer;
- 18 (5) The amount by which group or group-type hospital indemnity benefits exceed two
19 hundred dollars per day;
- 20 (6) The medical care components of group long-term care contracts, such as skilled
21 nursing care;
- 22 (7) The medical benefits coverage in group, group-type and individual automobile, no
23 fault, and traditional automobile fault-type contracts; and
- 24 (8) Medicare or other governmental benefits, as permitted by law, except as provided in
25 section 10 of this Act. That part of the definition of plan may be limited to the

1 hospital, medical and surgical benefits of the governmental program.

2 Section 9. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
3 as follows:

4 No plan may include:

- 5 (1) Individual or family insurance contracts;
- 6 (2) Individual or family subscriber contracts;
- 7 (3) Individual or family coverage through closed panel plans;
- 8 (4) Individual or family coverage under other prepayment, group practice and individual
9 practice plans;
- 10 (5) Group or group-type hospital indemnity benefits of two hundred dollars per day or
11 less;
- 12 (6) School accident-type coverages. These contracts cover students for accidents only,
13 including athletic injuries, either on a twenty-four-hour basis or on a to-and-from
14 school basis;
- 15 (7) Benefits provided in group long-term care insurance policies for nonmedical services,
16 for example, personal care, adult day care, homemaker services, assistance with
17 activities of daily living, respite care, and custodial care or for contracts that pay a
18 fixed daily benefit without regard to expenses incurred or the receipt of services;
- 19 (8) Medicare supplement policies;
- 20 (9) A state plan under medicaid; or
- 21 (10) A governmental plan which, by law, provides benefits that are in excess of those of
22 any private insurance plan or other nongovernmental plan.

23 Section 10. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
24 as follows:

25 For the purposes of this chapter, the term, primary plan, means a plan whose benefits for a

person's health care coverage shall be determined without taking the existence of any other plan into consideration. A plan is a primary plan if either of the following is true:

- (1) The plan either has no order of benefit determination rules, or its rules differ from those permitted by this chapter; or
- (2) All plans that cover the person use the order of benefit determination rules required by this chapter, and under those rules the plan determines its benefits first.

Section 11. That chapter 58-18A be amended by adding thereto a NEW SECTION to read as follows:

For the purposes of this chapter, the term, secondary plan, means a plan that is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules of this chapter decide the order in which secondary plans benefits are determined in relation to each other. Each secondary plan shall take into consideration the benefits of the primary plan or plans and the benefits of any other plan which, under the rules of this chapter, has its benefits determined before those of that secondary plan.

Section 12. That chapter 58-18A be amended by adding thereto a NEW SECTION to read as follows:

For the purposes of this chapter, the term, this plan, means, in a COB provision, the part of the group contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the group contract providing health care benefits is separate from this plan. A group contract may apply one COB provision to certain of its benefits (such as dental benefits), coordinating only with similar benefits, and may apply another COB provision to coordinate with other benefits.

Section 13. That chapter 58-18A be amended by adding thereto a NEW SECTION to read as follows:

The plan definition of allowable expense may exclude certain types of coverage or benefits

1 such as dental care, vision care, prescription drug, or hearing aids. A plan that limits the
2 application of COB to certain coverages or benefits may limit the definition of allowable
3 expenses in its contract to services or expenses that are similar to the services or expenses that
4 it provides. If COB is restricted to specific coverages or benefits in a contract, the definition of
5 allowable expense shall include similar services or expenses to which COB applies.

6 Section 14. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
7 as follows:

8 The amount of the reduction may be excluded from allowable expense if a covered person's
9 benefits are reduced under a primary plan:

- 10 (1) Because the covered person does not comply with the plan provisions concerning
11 second surgical opinions or precertification of admissions or services; or
12 (2) Because the covered person has a lower benefit because the person did not use a
13 panel provider.

14 Section 15. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
15 as follows:

16 If the primary plan is a closed panel plan and the secondary plan is not a closed panel plan,
17 the secondary plan shall pay or provide benefits as if it were primary when a covered person uses
18 a nonpanel provider, except for emergency services or authorized referrals that are paid or
19 provided by the primary plan.

20 Section 16. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
21 as follows:

22 The director shall, by rules promulgated pursuant to chapter 1-26, prescribe the format for
23 the COB provision and a plain language explanation of the COB process for use in group
24 contracts.

25 Section 17. That chapter 58-18A be amended by adding thereto a NEW SECTION to read

1 as follows:

2 A COB provision may not be used that permits a plan to reduce its benefits on the basis that:

- 3 (1) Another plan exists and the covered person did not enroll in that plan;
- 4 (2) A person could have been covered under another plan, except with respect to Part B
- 5 of medicare;
- 6 (3) A person is covered under another plan, except as allowed in this Act; or
- 7 (4) A person has elected an option under another plan providing a lower level of benefits
- 8 than another option that could have been elected.

9 Nothing in this Act prohibits a plan from coordinating as a secondary payor with medicare

10 to the extent allowed by federal law.

11 Section 18. That chapter 58-18A be amended by adding thereto a NEW SECTION to read

12 as follows:

13 No plan may contain a provision that its benefits are always excess or always secondary

14 unless that provision is in accord with the rules permitted by this chapter.

15 Section 19. That chapter 58-18A be amended by adding thereto a NEW SECTION to read

16 as follows:

17 Under the terms of a closed panel plan, benefits are not payable if the covered person does

18 not use the services of a closed panel provider. In most instances, COB does not occur if a

19 covered person is enrolled in two or more closed panel plans and obtains services from a

20 provider in one of the closed panel plans because the other closed panel plan (the one whose

21 providers were not used) has no liability. However, COB may occur during the claim

22 determination period if the covered person receives emergency services that would have been

23 covered by both plans. Then the secondary plan shall use the benefit reserve to pay any unpaid

24 allowable expense.

25 Section 20. That chapter 58-18A be amended by adding thereto a NEW SECTION to read

1 as follows:

2 If a person is covered by two or more plans, the rules for determining the order of benefit
3 payments are as contained in sections 23 to 26, inclusive, of this Act.

4 Section 21. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
5 as follows:

6 The primary plan shall pay or provide its benefits as if the secondary plan or plans did not
7 exist.

8 Section 22. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
9 as follows:

10 A plan that does not contain a coordination of benefits provision that is consistent with this
11 chapter is always primary. However, coverage that is obtained by virtue of membership in a
12 group and designed to supplement a part of a basic package of benefits may provide that the
13 supplementary coverage shall be excess to any other parts of the plan provided by the contract
14 holder. Examples of these types of situations are major medical coverages that are superimposed
15 over base plan hospital and surgical benefits, and insurance type coverages that are written in
16 connection with a closed panel plan to provide out-of-network benefits.

17 Section 23. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
18 as follows:

19 A plan may consider the benefits paid or provided by another plan only if it is secondary to
20 that other plan.

21 Section 24. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
22 as follows:

23 The first of the following rules that describes which plan pays its benefits before another plan
24 is the governing rule:

25 (1) The plan that covers the person other than as a dependent, for example as an

employee, member, subscriber, or retiree, is primary and the plan that covers the person as a dependent is secondary. However, if the person is a medicare beneficiary, and, as a result of the provisions of Title XVIII of the Social Security Act and implementing regulations, medicare is:

- (a) Secondary to the plan covering the person as a dependent; and
- (b) Primary to the plan covering the person as other than a dependent (e.g. a retired employee),

then the order of benefits is reversed so that the plan covering the person as an employee, member, subscriber or retiree is secondary and the other plan is primary;

(2) The primary plan is the plan of the parent whose birthday is earlier in the year if:

- (a) The parents are married;
- (b) The parents are not separated (whether or not they ever have been married); or
- (c) A court decree awards joint custody without specifying that one parent has the responsibility to provide health care coverage;

(3) If both parents have the same birthday, the plan that has covered either of the parents longer is primary;

(4) If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage, that plan is primary. If the parent with financial responsibility has no coverage for the child's health care services or expenses, but that parent's spouse does, the spouse's plan is primary;

(5) If the parents are not married or are separated (whether or not they ever were married) or are divorced, and there is no court decree allocating responsibility for the child's health care services or expenses, the order of benefit determination among the plans of the parents and the parents' spouses is:

- 1 (a) The plan of the custodial parent; then
- 2 (b) The plan of the spouse of the custodial parent; then
- 3 (c) The plan of the noncustodial parent; and then
- 4 (d) The plan of the spouse of the noncustodial parent;
- 5 (6) The plan that covers a person as an employee who is neither laid off nor retired (or
- 6 as that employee's dependent) is primary. If the other plan does not have this rule; and
- 7 if, as a result, the plans do not agree on the order of benefits, this rule does not apply.
- 8 Coverage provided an individual as a retired worker and as a dependent of that
- 9 individual's spouse as an active worker will be determined under section 35 of this
- 10 Act;
- 11 (7) If a person whose coverage is provided under a right of continuation pursuant to
- 12 federal or state law also is covered under another plan, the plan covering the person
- 13 as an employee, member, subscriber or retiree (or as that person's dependent) is
- 14 primary and the continuation coverage is secondary. If the other plan does not have
- 15 this rule, and if, as a result, the plans do not agree on the order of benefits, this rule
- 16 does not apply.

17 Section 25. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
18 as follows:

19 If the provisions of sections 23 to 26, inclusive, of this Act do not determine the order of
20 benefits, the plan that covered the person for the longer period of time is the primary plan.

21 Section 26. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
22 as follows:

23 To determine the length of time a person has been covered under a plan, two plans shall be
24 treated as one if the covered person was eligible under the second within twenty-four hours after
25 the first ended.

1 Section 27. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
2 as follows:

3 The start of a new plan does not include:

- 4 (1) A change in the amount or scope of a plan's benefits;
5 (2) A change in the entity that pays, provides or administers the plan's benefits; or
6 (3) A change from one type of plan to another (such as, from a single employer plan to
7 that of a multiple employer plan).

8 Section 28. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
9 as follows:

10 The person's length of time covered under a plan is measured from the person's first date of
11 coverage under that plan. If that date is not readily available for a group plan, the date the person
12 first became a member of the group shall be used as the date from which to determine the length
13 of time the person's coverage under the present plan has been in force.

14 Section 29. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
15 as follows:

16 If none of the provisions of sections 22 to 30, inclusive, of this Act determine the primary
17 plan, the allowable expenses shall be shared equally between the plans.

18 Section 30. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
19 as follows:

20 If a plan is secondary, it shall reduce its benefits so that the total benefits paid or provided
21 by all plans for any claim or claims are not more than one hundred percent of total allowable
22 expenses. In determining the amount of a claim to be paid by the secondary plan should the plan
23 wish to coordinate benefits, the secondary plan shall calculate the benefits it would have paid in
24 the absence of other insurance and apply that calculated amount to any allowable expense under
25 its plan that is unpaid by the primary plan. The secondary plan may reduce its payment by any

1 amount that, when combined with the amount paid by the primary plan, exceeds the total
2 allowable expense for that claim.

3 Section 31. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
4 as follows:

5 A plan shall, in its explanation of benefits provided to covered persons, include the following
6 language: If you are covered by more than one health benefit plan, you should file all your claims
7 with each plan.

8 Section 32. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
9 as follows:

10 A secondary plan that provides benefits in the form of services may recover the reasonable
11 cash value of the services from the primary plan, to the extent that benefits for the services are
12 covered by the primary plan and have not already been paid or provided by the primary plan.
13 Nothing in this section may be interpreted to require a plan to reimburse a covered person in cash
14 for the value of services provided by a plan that provides benefits in the form of services.

15 Section 33. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
16 as follows:

17 A plan with order of benefit determination rules that comply with this chapter (complying
18 plan) may coordinate its benefits with a plan that is excess or always secondary or that uses order
19 of benefit determination rules that are inconsistent with those contained in this chapter
20 (noncomplying plan) on the following basis:

- 21 (1) If the complying plan is the primary plan, it shall pay or provide its benefits first;
- 22 (2) If the complying plan is the secondary plan, it shall, nevertheless, pay or provide its
23 benefits first, but the amount of the benefits payable shall be determined as if the
24 complying plan were the secondary plan. In such a situation, the payment shall be the
25 limit of the complying plan's liability; and

1 (3) If the noncomplying plan does not provide the information needed by the complying
2 plan to determine its benefits within a reasonable time after it is requested to do so,
3 the complying plan shall assume that the benefits of the noncomplying plan are
4 identical to its own, and shall pay its benefits accordingly. If, within two years of
5 payment, the complying plan receives information as to the actual benefits of the
6 noncomplying plan, it shall adjust payments accordingly.

7 Section 34. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
8 as follows:

9 If the noncomplying plan reduces its benefits so that the covered person receives less in
10 benefits than the person would have received had the complying plan paid or provided its benefits
11 as the secondary plan and the noncomplying plan paid or provided its benefits as the primary
12 plan, and governing state law allows the right of subrogation set forth below, then the complying
13 plan shall advance to or on behalf of the covered person an amount equal to the difference.

14 Section 35. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
15 as follows:

16 In no event may the complying plan advance more than the complying plan would have paid
17 had it been the primary plan less any amount it previously paid for the same expense or service.
18 In consideration of the advance, the complying plan shall be subrogated to all rights of the
19 covered person against the noncomplying plan. The advance by the complying plan shall also be
20 without prejudice to any claim it may have against a noncomplying plan in the absence of
21 subrogation.

22 Section 36. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
23 as follows:

24 COB differs from subrogation. Provisions for one may be included in health care benefits
25 contracts without compelling the inclusion or exclusion of the other.

1 Section 37. That chapter 58-18A be amended by adding thereto a NEW SECTION to read
2 as follows:

3 If the plans cannot agree on the order of benefits within thirty calendar days after the plans
4 have received all of the information needed to pay the claim, the plans shall immediately pay the
5 claim in equal shares and determine their relative liabilities following payment, except that no
6 plan may be required to pay more than it would have paid had it been the primary plan.

7 Section 38. That § 58-18A-1 be repealed.

8 ~~58-18A-1. Terms used in this chapter mean:~~

9 ~~(1) "Allowable expense," the necessary, reasonable, and customary item of expense for~~
10 ~~health care when the item of expense is covered, in full or in part, under one or more~~
11 ~~plans covering the person for whom the claim is made. Allowable expense is restricted~~
12 ~~by the following:~~

13 ~~(a) When a plan provides benefits in the form of services, the reasonable cash~~
14 ~~value of each service will be considered as both an allowable expense and a~~
15 ~~benefit paid;~~

16 ~~(b) When COB is restricted in its use to a specific coverage in a contract, the~~
17 ~~definition of allowable expense must include the corresponding expenses or~~
18 ~~services to which COB applies;~~

19 ~~(c) The difference between the cost of a private hospital room and the cost of the~~
20 ~~semiprivate hospital room is not considered an allowable expense under the~~
21 ~~above definition, unless the patient's stay in a private hospital room is medically~~
22 ~~necessary in terms of generally accepted medical practice;~~

23 ~~(2) "Claim determination period," a period of time, not less than twelve consecutive~~
24 ~~months over which allowable expenses are compared with total benefits payable in the~~
25 ~~absence of COB to determine:~~

1 ~~———— (a) Whether overinsurance exists; and~~

2 ~~———— (b) How much each plan will pay or provide;~~

3 ~~———— (3) "Coordination of benefits" or "COB," a provision in a group health and accident~~
4 ~~policy intended to avoid claims payment delays and duplication of benefits when a~~
5 ~~person is covered by two or more plans of coverage providing benefits or service for~~
6 ~~medical, dental or other care or treatment;~~

7 ~~———— (4) "Plan," a contract providing health care benefits to which a COB provision applies and~~
8 ~~which may be reduced on account of benefits of other plans. A plan may include:~~

9 ~~———— (a) Any group contract as defined in § 58-18-1 issued by any insurance company,~~
10 ~~fraternal benefit society, health maintenance organization, nonprofit hospital~~
11 ~~service plan, or medical service corporation;~~

12 ~~———— (b) Medical benefits coverage in automobile insurance contracts;~~

13 ~~———— (c) Medicare or other government benefits, limited to hospital, medical and~~
14 ~~surgical benefits of the governmental program;~~

15 ~~———— (d) Employee welfare benefit plans within the meaning of the Employee~~
16 ~~Retirement Income Security Act of 1974, 29 U.S.C. § 1001 et seq., as of~~
17 ~~January 1, 1987.~~

18 ~~———— A plan does not include an individual health and accident insurance~~
19 ~~policy or individual subscriber contract; a blanket health insurance~~
20 ~~policy as defined in § 58-18-12; a state plan under medicaid or any other~~
21 ~~plan whose benefits, by law, are excess to those of any private insurance~~
22 ~~plan or other nongovernmental plan; or group hospital indemnity~~
23 ~~benefits of one hundred dollars per day or less;~~

24 ~~———— (5) "Primary plan," a plan whose benefits are required to be determined before those of~~
25 ~~another plan and without considering the existence of another plan if:~~

1 ~~———— (a) The plan either has no order of benefit determination rules or it has rules that~~
2 ~~differ from those permitted by this chapter; or~~

3 ~~———— (b) All plans covering a person use the order of benefit determination provision~~
4 ~~required by this chapter, and under these provisions, the plan determines its~~
5 ~~benefits first;~~

6 ~~—— (6) "Secondary plan," a plan whose benefits are determined after those of another plan~~
7 ~~and which may be reduced on account of benefits provided under any primary plan;~~

8 ~~—— (7) "This plan," a term in a COB provision which refers to the part of the group contract~~
9 ~~providing the health care benefits to which the COB provision applies and which may~~
10 ~~be reduced on account of the benefits of other plans.~~

11 Section 39. That § 58-18A-2 be repealed.

12 ~~—— 58-18A-2. This chapter permits, but does not require, plans to include coordination of~~
13 ~~benefits provisions.~~

14 Section 40. That § 58-18A-3 be repealed.

15 ~~—— 58-18A-3. A group contract that includes a COB provision shall be consistent with this~~
16 ~~chapter. A plan that does not include a COB provision may not take the benefits of another plan~~
17 ~~as defined in § 58-18A-1 into account when it determines its benefits. However, coverage that~~
18 ~~is designed to supplement a part of a basic package of benefits may provide that the~~
19 ~~supplementary coverage shall be excess to any other parts of plan coverage provided an insured.~~

20 Section 41. That § 58-18A-4 be repealed.

21 ~~—— 58-18A-4. A plan may apply one COB provision to certain of its benefits, coordinating only~~
22 ~~with like benefits, and may apply other separate COB provisions to coordinate other benefits.~~
23 ~~Each contract or arrangement for coverage under subdivision 58-18A-1(4) is a separate plan.~~

24 Section 42. That § 58-18A-5 be repealed.

25 ~~—— 58-18A-5. If there is a basis for a claim under two or more plans, a plan which includes a~~

~~COB provision that complies with this chapter is secondary to a plan which does not include such a provision. If both plans contain COB provisions that comply with this chapter, the plan which is determined to be primary according to the rules in § 58-18A-6 shall determine its benefits before those of the other plan.~~

Section 43. That § 58-18A-6 be repealed.

~~58-18A-6. The order of benefits shall be determined using the first of the following rules which applies:~~

~~(1) The benefits of the plan which covers the person as an employee, member or subscriber are determined before those of the plan which covers the person as a dependent;~~

~~(2) Except as stated in subdivision (3) of this section, if two or more plans cover the same child as a dependent of different persons:~~

~~(a) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year;~~

~~(b) If both parents have the same birthday, the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time;~~

~~(c) If the other plan does not have the rule described in subdivision (2)(a) of this section but has a rule based upon the gender of the parent and, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits;~~

~~The term "birthday," as used in this section, means the month and day, rather than the year, in which the person was born;~~

~~(3) If two or more plans cover a person as a dependent child of divorced or separated~~

1 ~~parents, benefits for the child are determined in the following order:~~

2 ~~—— (a) First, the plan of the parent with custody of the child;~~

3 ~~—— (b) Second, the plan of the spouse of the parent with custody of the child; and~~

4 ~~—— (c) Third, the plan of the parent not having custody of the child.~~

5 ~~—— However, if the specific terms of a court decree state that one of the parents is~~
6 ~~responsible for the health care expenses of the child, and the entity obligated to pay~~
7 ~~or provide the benefits of the plan of that parent has actual knowledge of those terms,~~
8 ~~the benefits of that plan are determined first. This paragraph does not apply with~~
9 ~~respect to any claim determination period or plan year during which any benefits are~~
10 ~~actually paid or provided before the entity has that actual knowledge.~~

11 ~~—— (4) The benefits of a plan which covers a person as an employee who is neither laid off~~
12 ~~nor retired or as that employee's dependent are determined before those of a plan~~
13 ~~which covers that person as a laid-off or retired employee or as that employee's~~
14 ~~dependent. If the other plan does not have this rule, and if, as a result, the plans do~~
15 ~~not agree on the order of benefits, this order of determination is ignored;~~

16 ~~—— (5) If subdivisions (1) to (4), inclusive, of this section do not determine the order of~~
17 ~~benefits, the benefits of the plan which covered an employee, member or subscriber~~
18 ~~for the longer period are determined before those of the plan which covered that~~
19 ~~person for the shorter time. To determine the length of time a person has been~~
20 ~~covered under a plan, two plans shall be treated as one if the claimant was eligible~~
21 ~~under the second within twenty-four hours after the first ended.~~

22 Section 44. That § 58-18A-7 be repealed.

23 ~~—— 58-18A-7. If, according to the order of benefit determination provisions of this chapter, a~~
24 ~~plan is secondary to one or more other plans, the secondary plan may reduce its benefits so that~~
25 ~~they and the benefits payable under the other plans do not total more than one hundred percent~~

1 ~~of allowable expenses. If the benefits of the secondary plan are reduced, each benefit is reduced~~
2 ~~in proportion.~~

3 Section 45. That § 58-18A-9 be repealed.

4 ~~— 58-18A-9. A payment made under another plan may include an amount which should have~~
5 ~~been paid under this plan. In that event, the entity which should have made the payment may pay~~
6 ~~that amount to the organization which made the payment. That amount shall then be treated as~~
7 ~~though it were a benefit paid under this plan. The entity does not have to pay that amount again.~~
8 ~~The term "payment made" includes providing benefits in the form of services, in which case~~
9 ~~"payment made" means reasonable cash value of the benefits provided in the form of services.~~

10 Section 46. That § 58-18A-10 be repealed.

11 ~~— 58-18A-10. If the amount of the payments made by an entity is more than it should have paid~~
12 ~~under this COB provision, it may recover the excess from one or more of the following:~~

- 13 ~~— (1) — Any person it has paid or for whom it has paid;~~
14 ~~— (2) — Any insurance company, fraternal benefit society, nonprofit hospital service plan,~~
15 ~~medical service corporation or health maintenance organization; or~~
16 ~~— (3) — Any other organization.~~

17 ~~— The "amount of the payments made" includes the reasonable cash value of any benefits~~
18 ~~provided in the form of services.~~

19 Section 47. That § 58-18A-11 be repealed.

20 ~~— 58-18A-11. A group contract may not reduce benefits on the basis that:~~

- 21 ~~— (1) — Another plan exists;~~
22 ~~— (2) — A person is or could have been covered under another plan, except with respect to~~
23 ~~part B of medicare; or~~
24 ~~— (3) — A person has elected an option under another plan providing a lower level of benefits~~
25 ~~than another which could have been elected.~~

Section 48. That § 58-18A-12 be repealed.

~~58-18A-12. Any plan with order of benefit determination rules which comply with this chapter, herein referred to as a complying plan, may coordinate its benefits with a plan which is "excess" or "always secondary" or which uses order of benefit determination rules which are inconsistent with those contained in this chapter, herein referred to as a noncomplying plan, on the following basis:~~

~~(1) If the complying plan is the primary plan, it shall pay or provide its benefits on a primary basis;~~

~~(2) If the complying plan is the secondary plan, it shall, nevertheless, pay or provide its benefits first. However, the amount of the benefits payable shall be determined as if the complying plan were the secondary plan. In such situation, the payment is the limit of the complying plan's liability;~~

~~(3) If the noncomplying plan does not provide the information needed by the complying plan to determine its benefits within a reasonable time after it is requested to do so, the complying plan shall assume that the benefits of the noncomplying plan are identical to its own, and shall pay its benefits accordingly. However, the complying plan shall adjust any payments it makes based on such assumption whenever information becomes available as to the actual benefits of the noncomplying plan;~~

~~(4) If the noncomplying plan reduces its benefits so that the employee, subscriber or member receives less in benefits than he or she would have received had the complying plan paid or provided its benefits as the secondary plan and the noncomplying plan paid or provided its benefits as the primary plan, and governing state law allows the right of subrogation set forth in § 58-18A-13, the complying plan shall advance to or on behalf of the employee, subscriber or member an amount equal to such difference. However, in no event may the complying plan advance more than~~

1 ~~the complying plan would have paid had it been the primary plan less any amount it~~
2 ~~previously paid. In consideration of such advance, the complying plan shall be~~
3 ~~subrogated to all rights of the employee, subscriber or member against the~~
4 ~~noncomplying plan. Such advance by the complying plan shall also be without~~
5 ~~prejudice to any claim it may have against the noncomplying plan in the absence of~~
6 ~~such subrogation.~~

7 Section 49. That § 58-18A-13 be repealed.

8 ~~58-18A-13. The COB concept differs from the concept of subrogation and provisions~~
9 ~~relating to one may be included in health care benefits contracts without requiring the inclusion~~
10 ~~or exclusion of the other.~~

11 Section 50. That § 58-18A-14 be repealed.

12 ~~58-18A-14. A group contract which provides health care benefits and was issued before~~
13 ~~July 1, 1987, shall be brought into compliance with this chapter by the later of:~~
14 ~~(1) The next anniversary date or renewal date of the group contract, or~~
15 ~~(2) The expiration of any applicable collectively bargained contract pursuant to which the~~
16 ~~group contract was written.~~

17 Section 51. The provisions of this Act apply to group health plans that are issued or renewed
18 on or after July 1, 2000.

Introduced by: Senators Flowers, Dennert, Drake, Hutmacher, Kloucek, and Symens and

1 FOR AN ACT ENTITLED, An Act to provide certain restrictions for dealership contracts for
2 agricultural construction equipment.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. Terms used in this Act mean:

- 5 (1) "Dealer," any person who receives agricultural or construction equipment from a
6 manufacturer under a dealership contract and who offers and sells the agricultural or
7 construction equipment to the general public. The term, dealer, does not include a
8 single-line dealer primarily engaged in the retail sale and service of off-road
9 construction and earthmoving equipment;
- 10 (2) "Dealership contract," a written agreement or contract between a manufacturer and
11 dealer which fixes the legal rights and liabilities of the parties to such agreement or
12 contract;
- 13 (3) "Manufacturer," any person engaged in the manufacturing or distribution of
14 agricultural or construction equipment including any person who acts for the
15 manufacturer;
- 16 (4) "Single-line dealer," any person that has purchased seventy-five percent or more of

1 the dealer's total new product inventory from a single manufacturer under agreements
2 with that manufacturer and has a total annual average sales volume for the three
3 previous years with that single manufacturer in excess of fifty million dollars for the
4 territory for which that dealer is responsible.

5 Section 2. The following circumstances are not cause for the termination or discontinuance
6 of a dealership contract, nor for entering into a dealership contract for the establishment of an
7 additional dealership in a community for the same line-make:

- 8 (1) The change of executive management or ownership of the dealer, unless the
9 manufacturer can show that the change would be detrimental to the representation or
10 reputation of the manufacturer's product;
- 11 (2) Refusal by the dealer to purchase or accept delivery of any agricultural or
12 construction equipment, parts, accessories, or any other commodity or service not
13 ordered by the dealer;
- 14 (3) The sole fact that the manufacturer desires further penetration of the market;
- 15 (4) The fact that the dealer owns, has an investment in, participates in the management
16 of, or holds a dealership contract for the sale of another line-make of agricultural or
17 construction equipment, or that the dealer has established another line-make of
18 agricultural or construction equipment in the same dealership facilities as those of the
19 manufacturer, if the dealer maintains a reasonable line of credit for each line-make of
20 agricultural or construction equipment; or
- 21 (5) Refusal by the dealer to participate in any advertising campaign or contest or purchase
22 any promotional materials, display devices, or display decoration or materials which
23 are at the expense of the dealer.

24 It is unlawful for any manufacturer to terminate or discontinue a dealership contract, or enter
25 into additional contracts under the circumstances described in subdivisions (1) to (5), inclusive.

1 Section 3. No manufacturer may require a dealer to agree to the inclusion of a term or
2 condition in a dealership contract, or in any lease or agreement ancillary or collateral to a
3 dealership contract, as a condition to the offer, grant, or renewal of such dealership contract,
4 lease, or agreement, that:

- 5 (1) Requires the dealer to waive trial by jury in cases involving the manufacturer;
- 6 (2) Specifies the jurisdictions, venues, or tribunals in which disputes arising with respect
7 to the dealership contract, lease, or agreement shall or may not be submitted for
8 resolution or otherwise prevents a dealer from bringing an action in a particular forum
9 otherwise available under the law;
- 10 (3) Requires that disputes between the manufacturer and dealer be submitted to
11 arbitration or to any other binding alternate dispute resolution procedure. However,
12 any dealership contract, lease, or agreement may authorize the submission of a dispute
13 to arbitration or to binding alternate dispute resolution if the manufacturer and dealer
14 voluntarily agree to submit the dispute to arbitration or binding alternate dispute
15 resolution at the time the dispute arises; or
- 16 (4) Requires a dealer to pay the attorney fees of a manufacturer.

17 This section does not apply to any agreement that has as its main objective the lease or sale
18 of real property.
